BIBLIOTHERAPY - AN ANTI-BULLYING TOOL ... AND A FRIENDSHIP QUILT

One of the final results of the project “Literature – a Framework for Social and Emotional Learning” is *BIBLIOTHERAPY - AN ANTI-BULLYING TOOL* which helps the pupils to improve their ability to sympathize, to respect otherness, to tolerate, to learn using comparison and contrast friendly behaviours.

Teachers selected literary texts with multidimensional characters that have experienced different types of bullying.

The pupils participated in workshops and debates, creating sets of suggestions using ICT. “An Encounter with a Bully” - Do's and Don'ts, read about “Great Friendships” in Literature, identify and analyse civic and social behaviours.

They created a “Friendship Quilt” with personal messages, drawings, motivational quotes which will be displayed in school library.

After this activity:

- pupils got behavioural skills and knowledge about positive relationships;
- how to recognize bullying and suggestions about how to cope with it.
- the activities will reduce risk behaviours.

We present a part of their creative work, after a process of selection.
Enjoy!

Friendship quilt

the friendship between Alki Zei and Zorz Sari

Popular novelists Alki Zei and Zorz Sari, have met in this book, for submitting memories of a long-standing friendship, childhood, shared high school years, war and occupation. Alki Zei's distinct tone of tenderness, states about the book: "Although many years have gone since we were children, both Zorz and I remember a lot of details from our childhood and every time we meet we always have something to say about those two little girls, the inseparable friends while so different from each other. We may have had difficult years of war and occupation, we starved, we suffered cold, fear, and however the moments we lived were so strong, so full. And if now we are writing memories from our childhood, it is because some feelings are common to all children of all times."

LILA'S IMAGE WAS AFFECTED BY GAGE'S LIES. THIS ONLY MADE HER ALREADY AFFECTED EMOTIONAL STATE EVEN MORE DEPLORABLE.

DO NOT BULLY. YOU ARE NOT SUPERIOR IF YOU BULLY OTHERS.
